Standing Rock Erratic 2014

Nestled on benchland overlooking the Similkameen Valley, Seven Stones Winery is a 100% estate winery well-known for its full-bodied red wines, a spectacular view and its mysterious caves. Built with a solid reputation for blends and single varietal reds, Seven Stones is fast becoming a leader in the wine industry. Winery owner and winemaker George Hanson is passionate about every aspect of winemaking beginning with careful attention to the growth cycles of the grapes to the ageing of the wines in world-class caves cellars.

Tasting Notes: This multi-layered blend is predominately Merlot with enhancements of Cabernet Sauvignon, Cabernet Franc, Petit Verdot and Malbec. The aromas feature plum, blackberry, and cedar. These pleasures are followed by flavours of ripe plum, raspberry, coffee, chocolate and vanilla. This wine has a soft velvety mouthfeel and a complex long lingering finish that is cushioned by juicy velvety tannins.

Winemaker's Notes: Crushed berries and juice were cold soaked for 4 days to help extract flavours. Extended maceration during fermentation and pressed gently. Unfiltered and unfined.

Blend Information: 51% Merlot, 40% Cab Sauv, 6% Cab Franc, 3% Petit Verdot
